On April 26, 2024, WiSA Technologies, Inc., a Delaware corporation (the "Company"), entered into a securities purchase agreement (the "Purchase Agreement") with certain purchasers, pursuant to which the Company agreed to issue and sell to such purchasers (a) in a registered direct offering, 418,845 shares (the "Shares") of common stock, par value \$0.0001 per share (the "Common Stock"), of the Company, at an offering price of \$5.73 per share, and (b) in a concurrent private placement, common stock purchase warrants (the "Warrants") exercisable for an aggregate of up to 418,845 shares of Common Stock, at an exercise price of \$5.60 per share (the "Warrant Shares"), for aggregate gross proceeds of approximately \$2,400,000 (such offerings, the "Offerings"). The Offerings are expected to close on April 30, 2024, subject to customary closing conditions.

Private Placement Warrants

The Warrants will be exercisable upon issuance and expire on the fifth anniversary of the issuance date of the Warrants. Once issued, the Warrants may be exercised, in certain circumstances, on a cashless basis pursuant to the formula contained in the Warrants. The holder of a Warrant may also effect an "alternative cashless exercise" on or after the date that stockholder approval is obtained for such "alternative cashless exercise" feature. In such event, the aggregate number of shares of Common Stock issuable in such alternative cashless exercise pursuant to any given notice of exercise electing to effect an alternative cashless exercise shall equal the product of (x) the aggregate number of shares of Common Stock that would be issuable upon exercise of the Warrant in accordance with the terms of the Warrant if such exercise were by means of a cash exercise rather than a cashless exercise and (y) 0.65.

Obligations under the Purchase Agreement

Pursuant to the Purchase Agreement, the Company agreed to, among other things:

- (a) subject to certain exceptions, (i) not offer for sale, issue, sell, contract to sell, pledge or otherwise dispose of any of its shares of Common Stock or securities convertible into Common Stock until 30 days after the closing date of the Offerings, and (ii) not issue certain securities if the issuance would constitute a Variable Rate Transaction (as such term is defined in the Purchase Agreement) for a period of six months from the closing date of the Offerings, in each case unless the Company is required to complete a financing prior to the applicable date in order to satisfy Nasdaq's continued listing requirements; and
- (b) as soon as practicable (and in any event by May 30, 2024), file a registration statement on Form S-1 or another appropriate form providing for the resale of the Warrant Shares, use commercially reasonable efforts to cause such registration statement to become effective within 90 days of the closing date of the Offerings, and keep such registration statement effective at all times until no purchaser owns any Warrants or Warrant Shares issuable upon exercise thereof; and
- (c) hold a meeting of stockholders of the Company for the purpose of approving the "alternative cashless exercise" feature in the Warrants, which meeting shall be held on or before September 30, 2024.

In addition, pursuant to the Purchase Agreement, the purchasers and the Company agreed to amend the filing date deadline for the registration statement on Form S-1 to May 30, 2024 (originally May 10, 2024), for the resale by the purchasers of warrants issued in private placement transactions pursuant to those certain securities purchase agreements, dated as of March 26, 2024, April 17, 2024, and April 19, 2024.

Placement Agency Agreement

In connection with the Offerings, on April 26, 2024, the Company entered into a placement agency agreement (the "Placement Agency Agreement") with Maxim Group LLC (the "Placement Agent"), pursuant to which the Placement Agent agreed to act as placement agent on a "reasonable best efforts" basis in connection with the Offerings. The Company paid the Placement Agent an aggregate fee equal to 8.0% of the gross proceeds raised in the Offerings. The Company reimbursed the Placement Agent \$50,000 for expenses in connection with the Offerings.

Pursuant to the Placement Agency Agreement, the Company agreed, among other things and subject to certain exceptions, not to, without the prior written consent of the Placement Agent, offer for sale, issue, sell, contract to sell, pledge or otherwise dispose of any of its shares of Common Stock or securities convertible into Common Stock until 30 days after the closing date of the Offerings.

The Placement Agency Agreement and the Purchase Agreement each contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company, the Placement Agent, or the purchasers in the Offerings, as the case may be, other obligations of the parties and termination provisions.

The Shares to be issued in the registered direct offering were offered pursuant to the Company's registration statement on Form S-3 (File No. 333-267211), initially filed by the Company with the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "Securities Act"), on September 1, 2022 and declared effective on September 13, 2022.

The Warrants (and the shares of Common Stock issuable upon the exercise of the Warrants) are not being registered under the Securities Act, and were offered pursuant to an exemption from the registration requirements of the Securities Act provided in Section 4(a)(2) thereof and/or Rule 506(b) promulgated thereunder.

Item 3.02. Unregistered Sales of Equity Securities.

Shareholder Letter Regarding Upcoming Special Meeting of Stockholders

On April 26, 2024, the Company issued a press release to stockholders containing the following text:

BEAVERTON, Ore.--(BUSINESS WIRE)-- WiSA Technologies, Inc. (NASDAQ: WISA), a leading innovator in wireless audio technology for intelligent devices and next-generation home entertainment systems, issued a Letter to Shareholders.

Dear Fellow Shareholders,

I am writing to share some exciting news regarding WiSA Technologies and our upcoming Special Meeting of Stockholders on May 13, 2024.

At its core, WiSA Technologies is an innovative company, a company whose dynamic products are built on a strong R&D foundation. Over the past decade, we have been at the forefront of innovation in the audio/video entertainment space. Our bold vision to deliver a superior at-home entertainment listening experience has guided us to prioritize significant investments in R&D in order to create a company that is built to last. With this foundation firmly in place, we strongly believe that, at this juncture, we have set the stage for sustainable long-term success because we have a dynamic core product that will help us and our customers advance multichannel wireless audio to become the ubiquitous standard in the industry. Our journey has been marked by several milestones:

Formation of a Strong Foundation: In our early years, we focused on building talented teams of R&D, sales, marketing, and management, while fostering a culture that embraced our vision.

Industry Recognition: We formed the 70+ member WiSA Association focused on standardizing the delivery of multichannel wireless audio and we showcased our technology solutions at prestigious events like CES, forging strong relationships with the world's leading consumer electronics manufacturers.

Continuous Innovation: Year after year, we invested heavily in R&D to introduce robust technology solutions to consumer electronics manufacturers.

Today, I am proud to say that WiSA Technologies is well-positioned to transform the spatial audio industry. Culminating from our years of hard work and investment in R&D, we introduced a groundbreaking technology in 2023, WiSA E. This breakthrough represents a transformative milestone and new chapter for WiSA Technologies. Leading consumer electronics manufacturers are partnering with us to bring WiSA E to market through their channels and products by licensing our IP, which is expected to unlock new revenue streams for our company for years to come.

To realize the promise of WiSA E, we are introducing a new program, called Propel, that will consist of several strategic initiatives over the next 18 months that include:

Enhanced Value for Shareholders: Standardizing industry solutions and implementing initiatives to achieve consistent revenue performance, reduce infrastructure costs and maximize long-term shareholder value.

Revenue Growth: Creating new revenue streams that are expected to significantly impact our company's top-line growth. This includes enhancing our WiSA E technology to attract partnerships with TV/Audio speaker and chip manufacturers, resulting in increased licensing agreements and certifications.

Path to Profitability: Developing stringent specifications compliance and close working partnerships with consumer electronics manufacturers and chip makers to produce high-volume, lower cost solutions that will deliver positive benefits to our bottom line.

Industry Leadership: Expanding interbrand operability among premier audio manufacturers and delivering premium technology solutions to mass-market audio systems. WiSA Technologies aims to solidify its position as an industry innovator through this expansion.

Strong Governance: Implementing amendments to our certificate of incorporation and bylaws. These changes are expected to provide WiSA Technologies with the flexibility and governance needed to swiftly execute and adapt to market demands.

To achieve these ambitious goals, we need your support. At the upcoming Special Meeting of Stockholders, we will be presenting several proposals that are crucial for the successful execution of our Propel program:

Proposal #1: Authorize a Reverse Stock Split

Proposal #2: Approve an Amendment to the Certificate of Incorporation to Allow the Board of Directors to Amend the Bylaws

Proposal #3: Approve Issuance of Shares upon Exercise of February 2024 Warrants

Proposal #4: Approve Issuance of Shares upon Exercise of March 2024 Warrants

Proposal #5: Consider and Act Upon Other Business

The WiSA Board of Directors and I wholeheartedly recommend that you **VOTE FOR** each of the proposals.

Each of these proposals is vital for us to move forward with confidence and realize the full potential of WiSA E and Propel. I urge you to read about these proposals in detail in the Definitive Proxy Statement on Schedule 14A, filed with the Securities and Exchange Commission.

Your vote is important regardless of the number of shares you own. Please take the time to vote today to ensure your vote is received prior to the special meeting on May 13, 2024.
