Pursuant to the Asset Purchase Agreement, the Company has agreed to acquire the Transferred Assets for an aggregate purchase price of \$210,000,000 (the "Purchase Price"), which shall consist of (i) \$10,000,000 payable in the form of a Promissory Note (as defined in the Asset Purchase Agreement) issued by the Company to Data Vault, (ii) \$200,000,000 in validly issued, fully paid and nonassessable shares of restricted common stock of the Company, par value \$0.0001 per share (the "Common Stock"), which number of shares shall be 40,000,000, and is calculated based on a per share price of \$5.00 (the "Closing Stock Consideration"), and (iii) the assumption of the Transferred Liabilities (as defined in the Asset Purchase Agreement), which clauses (i) through (iii) above, collectively, shall comprise the total consideration to be paid for the Transferred Assets. The Company will only assume the Transferred Liabilities, if any.

The Asset Purchase Agreement includes customary representations and warranties and various customary covenants and closing conditions that are subject to certain limitations, including, without limitation, certain third-party consents and agreements. Furthermore, pursuant to the terms of the Asset Purchase Agreement, effective at the closing, the Company has also agreed to appoint two new members to its board of directors, nominated by Data Vault, and reasonably acceptable to the Company.

Pursuant to the Asset Purchase Agreement, the Company shall (i) establish a record date for a general meeting of its stockholders (the "Company Stockholders Meeting") for the

The Company shall schedule the Company Stockholders Meeting to be held within forty (40) days of the initial mailing of the Proxy Statement; provided, however, that the Company may postpone, recess or adjourn the Company Stockholders Meeting (i) with the consent of Data Vault, (ii) to ensure that any required supplement or amendment to the Proxy Statement is provided to the stockholder of the Company within a reasonable amount of time in advance of the Company Stockholders Meeting, (iii) if there are not sufficient affirmative votes in person or by proxy at such meeting to constitute a quorum or to obtain the Company stockholders' approval, to allow reasonable additional time for solicitation of proxies for purposes of obtaining a quorum or the Company stockholders' approval, as applicable, or (iv) as may be required by applicable law or the charter documents of the Company.

Pursuant to the Asset Purchase Agreement, the Company and Data Vault shall enter into a Royalty Agreement (as defined in the Asset Purchase Agreement), in a form to be mutually agreed between the parties, providing for the Company's obligations to make royalty payments to Data Vault in an amount equal to 3% of the Company's revenue generated from or otherwise attributable to any patent rights included in the Acquired Business, commencing as of the closing and ending upon the expiration (on a patent-by-patent basis) of such patent rights, as further set forth in the Royalty Agreement. Cautionary Note Regarding Forward-Looking Statements

This report contains certain forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, without limitation, the Company’s expectations with respect to the proposed asset purchase, including statements regarding the benefits of the transaction, the anticipated timing of the transaction, the implied valuation of Data Vault, the products offered by Data Vault and the markets in which Data Vault operates, and the Company’s projected future results. Words such as “believe,” “project,” “expect,” “anticipate,” “estimate,” “intend,” “strategy,” “future,” “opportunity,” “plan,” “may,” “should,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions are intended to identify such forward-looking statements. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside of the Company’s control and are difficult to predict. Factors that may cause actual future events to differ materially from the expected results, include, but are not limited to: (i) the risk that the transaction may not be completed in a timely manner or at all, which may adversely affect the price of the Company’s securities, (ii) the failure to satisfy the conditions to the consummation of the transaction, including the adoption of the Asset Purchase Agreement by the stockholders of the Company, (iii) the occurrence of any event, change or other circumstance that could give rise to the termination of the Asset Purchase Agreement, (iv) the effect of the announcement or pendency of the transaction on the Company’s business relationships, performance, and business generally, (v) the inability to recognize the anticipated benefits of the transaction, which may be affected by, among other things, competition and the ability of the post-combination company to grow and manage growth profitability and retain its key employees, (vi) costs related to the asset purchase, (vii) the outcome of any legal proceedings that may be instituted against the Company or Data Vault following the announcement of the proposed asset purchase, (viii) the ability to implement business plans, forecasts, and other expectations after the completion of the proposed asset purchase, and identify and realize additional opportunities, (ix) the risk of downturns and the possibility of rapid change in the highly competitive industries in which the Company and Data Vault operate, (x) the risk that any adverse changes in Data Vault’s relationships with buyer, sellers and distribution partners may adversely affect the predicted business, financial condition and results of operations, (xi) the risk that periods of rapid growth and expansion could place a significant strain on the Company’s resources, including its employee base, which could negatively impact the Company’s operating results, (xii) the risk that the Company may need to raise additional capital to execute its business plan, which may not be available on acceptable terms or at all, (xiii) the risk that third-parties suppliers and manufacturers are not able to fully and timely meet their obligations, and (xiv) the risk that the Company is unable to secure or protect its intellectual property. There may be additional risks that the Company presently do not know or that the Company currently believes are immaterial that could also cause results to differ from those contained in any forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company assumes no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.

If a court, tribunal or antitrust regulator of competent jurisdiction determines that any term or provision contained in Sections 6.6(a) and 6.7 is invalid or unenforceable, the Parties agree that the court or tribunal will have the power to reduce the scope, duration or geographic area of the term or provision, to delete specific words or phrases or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision; provided, that any such reduction, deletion or replacement shall only be to the extent necessary to render such term or provision valid and enforceable.

(e) Seller shall not permit to exist any Tax deficiencies (including interest and penalties) assessed *against* or relating to Seller, the Acquired Business or the Transferred Assets for any Pre-Closing Tax Period that would reasonably be expected to result in Liens on any of the Transferred Assets or Purchaser’s title or use of the Transferred Assets following the Closing Date or that would reasonably be expected to result in any claim for Taxes against Purchaser.

In no event shall Purchaser or any of its Affiliates be responsible for any fees or costs associated with transferring or assigning any right, title or interest in such Held Asset or Omitted Asset. In the event that Seller consolidates or merges with or into any Person, then and in each such case, Seller shall ensure that the successors and assigns of the applicable Person(s), as applicable, assume the obligations set forth in this Section 6.10. ARTICLE IX INDEMNIFICATION

9.1 Survival.

(a) Subject to Section 9.1(b), each representation and warranty contained in Article IV and Article V (other than the Seller Fundamental Representations and the Purchaser Fundamental Representations) shall survive the Closing and shall terminate on the twelve (12) month anniversary of the Closing Date. The Specified Representations shall survive the Closing and remain in full force and effect until the day that is 60 days following the expiration of the applicable statute of limitations (taking into account any extensions or waivers thereof), and the Seller Fundamental Representations and the Purchaser Fundamental Representations shall survive the Closing and remain in full force and effect indefinitely after the Closing Date; provided, that the expiration of any of the terms set out in this Section 9.1(a) shall not affect the rights of a Party to seek recovery of Losses arising out of Fraud. The covenants and agreements contained in this Agreement shall survive until performance in accordance with their terms.

(b) Notwithstanding anything herein to the contrary, the obligations to indemnify and hold harmless a Person pursuant to this Article IX in respect of a breach of representation or warranty, covenant or agreement shall terminate on the applicable survival termination date (as set forth in Section 9.1(a)), unless an Indemnified Party shall have made a claim for indemnification pursuant to Section 9.2 or Section 9.3, subject to the terms and conditions of this Article IX (or Section 6.8(d), as applicable), prior to such survival termination date, as applicable, including by delivering an Indemnification Claim Notice or Third Party Indemnification Claim, as applicable, to the Indemnifying Party. Notwithstanding anything herein to the contrary, if an Indemnified Party has made a claim for indemnification pursuant to Section 9.2 or Section 9.3 and delivered an Indemnification Claim Notice or Third Party Indemnification Claim, as applicable, to the Indemnifying Party prior to such survival termination date, then such claim (and only such claim), if then unresolved, shall not be extinguished by the passage of the deadlines set forth in Section 9.1(a).

38

(c) In determining the existence of, and the amount of any Losses arising from, any inaccuracy or breach of a representation or warranty herein, the terms “material” or “materially,” any clause or phrase containing “material,” “materially,” “material respects,” “Material Adverse Effect” or any similar terms, clauses or phrases in any such representation or warranty shall be disregarded (as if such word or clause, as applicable, were deleted from such representation or warranty).

9.2 Indemnification by Seller.

Subject to the limitations set forth in this Article IX, from and after the Closing, Seller agrees to indemnify and hold Purchaser, each of its Affiliates and each of their respective Representatives (collectively, the “Purchaser Indemnified Persons”) harmless from and in respect of any and all Losses that they incur arising out of, relating to or resulting from:

- (a) any breach or inaccuracy of any representations or warranties of Seller set forth in Article IV or the certificate delivered pursuant to Sections 7.2(c);
- (b) any breach or failure of Seller or its Affiliates to perform any of its covenants or other agreements contained in this Agreement;
- (c) any claim by any Person arising from or related to any act or omission of Seller that occurred on or prior to the Closing Date, including any claim for Losses arising from or related to the Transferred Assets or the Acquired Business at or prior to the Closing; and
- (d) any Excluded Asset or any Excluded Liability.

9.3 Indemnification by Purchaser

Subject to the limitations set forth in this Article IX, from and after the Closing, Purchaser agrees to indemnify and hold Seller, its Affiliates and each of their respective Representatives (collectively, the “Seller Indemnified Persons”) harmless from and in respect of any and all Losses that they incur arising out of, relating to or resulting from:

- (a) any breach or inaccuracy of any representations or warranties of Purchaser set forth in Article V or the certificate delivered pursuant to Section 7.3(c);
- (b) any failure of Purchaser to perform any of its covenants or other agreements contained in this Agreement;
- (c) any failure of Purchaser to discharge any Transferred Liability; and
- (d) any fraud or intentional breach by Purchaser of this Agreement.

9.4 Limitations on Indemnification.

The Person making a claim for indemnification under this Article IX is referred to herein as the “Indemnified Party” and the Party against whom such claims for indemnification are asserted under this Article IX is referred to herein as the “Indemnifying Party”. Notwithstanding anything herein to the contrary, the indemnification obligations of an Indemnifying Party pursuant to this Agreement shall be subject to the following limitations:

- (a) Maximum Amount. Other than with respect to claims related to Fraud the aggregate amount of indemnifiable Losses pursuant to Section 9.2(a)-9.2(d) shall not exceed 50% of the Purchase Price. Other than with respect to claims related to fraud or intentional breach of this Agreement, in no event shall Purchaser’s and its Affiliates’ aggregate liability to Seller for indemnification claims pursuant to this Article IX exceed an amount equal to the consideration actually received by Seller.

- (b) Insurance and Other Payments; Mitigation. Payments by an Indemnifying Party pursuant to Section 9.2 or Section 9.3 in respect of any Loss shall be limited to the amount of any Liability or damage that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or other similar payment actually received by the Indemnified Party (or its Affiliates) from any third parties (other than the Indemnifying Party) in respect of any such claim, net of any costs of recovery, and increases in premiums. Each of Purchaser and Seller shall, and cause its Affiliates and Representatives to, take all reasonable steps to mitigate any Loss upon becoming aware of any event or circumstance that would be reasonably expected to, or does, give rise to such Loss, including incurring costs only to the minimum extent necessary to remedy the breach that gives rise to such Loss.

- (c) No Duplication. Losses shall be determined without duplication of any other Loss for which an indemnification claim has been made or could be made under any other representation, warranty, covenant or agreement. The Indemnified Parties shall not be entitled to recover more than once for the same Loss. In no event shall any Indemnifying Party be liable to any Indemnified Party for any punitive, incidental, consequential, special, or indirect damages, including loss of future revenue or income, loss of business reputation or opportunity relating to the breach or alleged breach of this Agreement, or diminution of value or any damages based on any type of multiple.

- (d) Basket. Subject to the other limitations set forth in this Article IX, Seller shall not be liable to Purchaser for indemnification under Section 9.2(a) until the aggregate amount of all Losses in respect of indemnification under Section 9.2 exceeds Two Hundred Thousand Dollars (\$500,000.00) (the “Basket”), provided, however, that Losses attributable to the breach of the Seller Fundamental Representations, Section 4.18 (Taxes) or involving fraud shall not be subject to the Basket; provided, further, in the event that such aggregate amount of Losses exceeds the Basket, Seller shall be required to pay or be liable for all such Losses (*i.e.*, from the first dollar).

9.5 Indemnification Procedures.

- (a) Claim Procedure. Any Indemnified Party making a claim for indemnification pursuant to Section 9.2, Section 9.3 or Section 9.7 must give the Indemnifying Party written notice (an “Indemnification Claim Notice”) of such claim describing such claim and the nature and amount of such Losses, to the extent that the nature and amount thereof are determinable at such time, promptly after the Indemnified Party receives any written notice of any Proceeding against or involving the Indemnified Party by a third party or otherwise discovers the Liability, obligation or facts giving rise to such claim for indemnification; provided, however, that the failure to notify or delay in notifying the Indemnifying Party will not relieve the Indemnifying Party of its obligations pursuant to Section 9.2, Section 9.3 or Section 9.7, as the case may be, except to the extent that the defenses available to such Indemnifying Party are actually and materially prejudiced as a result thereof.

- (b) Claim Objection. After delivery of an Indemnification Claim Notice to the Indemnifying Party, the Indemnifying Party may, at any time on or before the thirtieth (30th) day following its receipt of an Indemnification Claim Notice (the “Objection Period”), object (a “Claim Objection”) to a claim made in such Indemnification Claim Notice by delivering written notice to the Indemnified Party. The Claim Objection shall set forth in reasonable detail the reasons for the objection to such claim and the portion of the amount of Losses which is disputed. If, within thirty (30) days after an Indemnification Claim Notice is received by the Indemnifying Party, the Indemnifying Party does not deliver Claim Objection to the Indemnified Party, the Indemnifying Party shall be conclusively deemed to have consented on behalf of itself to the recovery by the Indemnified Party of the full amount of Losses specified in the Indemnification Claim Notice. During the thirty (30)-day period following the delivery of a Claim Objection in accordance with this Section 9.5(b), the Indemnifying Party and the Indemnified Party shall attempt in good faith to resolve such dispute. The Indemnified Party shall reasonably cooperate

and assist the Indemnifying Party in determining the validity of any claim for indemnity by the Indemnified Party and in otherwise resolving such matters. Such assistance and cooperation shall include providing reasonable access to and copies of information, records and documents relating to such matters, furnishing employees to assist in the investigation, defense and resolution of such matters and providing legal and business assistance with respect to such matters. If the dispute is not resolved within such thirty (30) day period, either the Indemnifying Party or the Indemnified Party may bring suit in the Delaware Courts pursuant to Section 11.12.

(c) Third-Party Claims.

(i) If any Indemnified Party receives notice of the assertion or commencement of any action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement (a "Third-Party Claim") against such Indemnified Party with respect to which such Indemnifying Party may be obligated to provide indemnification under this Agreement, Indemnified Party shall assume and control the settlement and defense of such Proceeding and appoint and select lead counsel. Indemnified Party shall keep Indemnifying Party reasonably informed of the defense of such Proceeding by providing copies of any pleadings or other material communications. Indemnifying Party shall (and shall cause its Affiliates to) provide reasonable cooperation to Indemnified Party in connection with the defense or settlement of such Proceeding, including by making available, at Indemnified Party's expense, such witnesses, records, materials and other information in such Person's possession or under such Person's control as may be reasonably requested by Indemnified Party. Indemnifying Party shall have the right, at its own cost and expense, to participate in the defense of any Third-Party Claim with counsel selected by it subject to Indemnified Party's right to control the defense thereof.

(ii) Notwithstanding any other provision of this Agreement, Indemnified Party shall not compromise or otherwise enter into any judgment or settlement of any Third-Party Claim without the prior written consent of Indemnifying Party, other than a compromise, judgment or settlement that (A) is on exclusively monetary terms with, subject to the limitations in Section 9.4, such monetary amounts paid by the Indemnifying Party concurrently with the effectiveness of the compromise, judgement or settlement, (B) does not involve any finding or admission of violation of Law or admission of wrongdoing by the Indemnified Party and (C) provides in customary form, an unconditional release of, or dismissal with prejudice of, all claims against any Indemnified Party potentially affected by such Third-Party Claim.

9.6 Treatment of Indemnification Payments.

Any indemnification payments made pursuant to this Agreement shall be treated for Tax purposes as an adjustment to the Purchase Price, unless otherwise required by applicable Law.

9.7 Specific Indemnity.

Notwithstanding anything contrary in this Agreement, Seller agrees to indemnify and hold the Purchaser Indemnified Persons harmless in full from and in respect of any and all Losses that they incur arising out of, relating to or resulting from (a) any investigation commenced, brought, conducted, or heard by or before any Governmental Authority, and (b) any Proceedings related to and resulting from such investigation, in each case, except to the extent such Losses are attributable to the actions or inactions of such Purchaser Indemnified Person (the "Specific Indemnity"). The indemnification under the Specific Indemnity shall not be prejudiced by or be otherwise subject to any disclosure (in the Disclosure Schedules or otherwise) and shall not be subject to Section 9.4.

ARTICLE X
TERMINATION

10.1 Termination Events.

Without prejudice to other remedies which may be available to the Parties by Law or this Agreement, this Agreement may be terminated and the transactions contemplated herein may be abandoned:

(a) by mutual written consent of the Parties;

(b) after December 31, 2024 (the "Outside Date"), by any Party by delivery of a written notice to the other Party in accordance with Section 11.1 if the Closing shall not have been consummated on or prior to 5:00 pm Eastern Time on the Outside Date; provided, however, that the right to terminate this Agreement under this Section 10.1(b) shall not be available to any Party whose failure or whose Affiliate's failure to perform any of its representations, warranties, covenants or other obligations under this Agreement has been the primary cause of, or otherwise primarily resulted in, the failure of the Closing to occur on or prior to such date;

(c) by any Party, if a final, non-appealable order, decree or ruling enjoining or otherwise prohibiting consummation of the Purchase has been issued by any Governmental Authority (unless such order, decree or ruling has been withdrawn, reversed or otherwise made inapplicable) or any Law has been enacted that would make the Purchase illegal;

(d) by Seller (by delivery of a written notice to Purchaser in accordance with Section 11.1(b)) if (i) Seller is not in breach of any of its representations, warranties, covenants or other obligations hereunder that renders or would render the conditions set forth in Sections 7.2(a) or 7.2(b) incapable of being satisfied on the Outside Date and (ii) Purchaser is in breach of any of its representations, warranties, covenants or other obligations hereunder that renders or would render the conditions set forth in Sections 7.3(a) or 7.3(b) incapable of being satisfied on the Outside Date, and such breach is either (A) not capable of being cured prior to the Outside Date or (B) if curable, is not cured within the earlier of (x) twenty (20) Business Days after the giving of written notice by Seller to Purchaser and (y) three (3) Business Days prior to the Outside Date; or

(e) by Purchaser (by delivery of a written notice to Seller in accordance with Section 11.1(a)) if (i) Purchaser is not in breach of any of its representations, warranties, covenants or other obligations hereunder that renders or would render the conditions set forth in Sections 7.3(a) or 7.3(b) incapable of being satisfied on the Outside Date and (ii) Seller is in breach of any of its representations, warranties, covenants or other obligations hereunder that renders or would render the conditions set forth in Sections 7.2(a) or 7.2(b) incapable of being satisfied on the Outside Date, and such breach is either (A) not capable of being cured prior to the Outside Date or (B) if curable, is not cured within the earlier of (x) twenty (20) Business Days after the giving of written notice by Purchaser to Seller and (y) three (3) Business Days prior to the Outside Date.

10.2 Termination Procedures.

If any Party wishes to terminate this Agreement pursuant to Section 10.1, such Party will deliver to the other Party a written termination notification in accordance with Section 11.1 stating that such Party is terminating this Agreement and setting forth a brief statement of the basis on which such Party is terminating this Agreement.

10.3 Effect of Termination.

In the event of any termination of this Agreement as provided in Section 10.1, this Agreement shall forthwith become wholly void and of no further force and effect, all further obligations of the Parties under this Agreement shall terminate and there shall be no liability on the part of any Party (or any Affiliate or Representative of such Party) to any other Party (or such other Persons), except that the provisions of Section 6.4 and Article XI of this Agreement shall remain in full force and effect and the Parties shall remain bound by and continue to be subject to the provisions thereof. Notwithstanding the foregoing, the provisions of this Section 10.3 shall not relieve either Party of any liability for Fraud.

11.2 Bulk Transfers.

The Parties waive, to the fullest extent permitted by Law, compliance with the provisions of all applicable Laws, including Article 6 of the Uniform Commercial Code, relating to bulk transfers of any jurisdiction in connection with the transfer of the Transferred Assets.

11.3 Severability.

If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void or unenforceable, all other provisions of this Agreement and the application of such provision to other persons or circumstances other than those which it is determined to be illegal, void or unenforceable, shall not be impaired or otherwise affected and shall remain in full force and effect to the fullest extent permitted by applicable Law, and Seller and Purchaser shall negotiate in good faith to replace such illegal, void or unenforceable provision with a provision that corresponds as closely as possible to the intentions of the Parties as expressed by such illegal, void or unenforceable provision.

11.4 Further Assurances; Further Cooperation.

Subject to the terms and conditions hereof (including Section 6.3), each of the Parties agrees to use commercially reasonable efforts to execute and deliver, or cause to be executed and delivered, all documents and to take, or cause to be taken, all actions that may be reasonably necessary or appropriate to effectuate the provisions of this Agreement, provided that all such actions are in accordance with applicable Law. From time to time, whether at or after the Closing, Seller will execute and deliver such further instruments of conveyance, transfer and assignment and take such other action, at Purchaser's sole expense, as Purchaser may reasonably require to more effectively convey and transfer to Purchaser any of the Transferred Assets, and Purchaser will execute and deliver such further instruments and take such other action, at Seller's sole expense, as Seller may reasonably require to more effectively assume the Transferred Liabilities.

11.5 Counterparts.

This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument. Copies of executed counterparts transmitted by electronic signature (including by means of e-mail in .pdf format) shall be considered original executed counterparts for purposes of this Section 11.5.

11.6 Expenses.

Except as otherwise expressly provided herein, whether or not the Closing occurs, Seller and Purchaser shall each pay their respective expenses incurred in connection with the negotiation and execution of this Agreement and the other Transaction Documents and the consummation of the transactions contemplated hereby and thereby.

11.7 Assignment; Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of the Parties to this Agreement and their respective permitted successors, legal representative and permitted assigns; provided, however, that no Party to this Agreement may directly or indirectly assign any or all of its rights or delegate any or all of its obligations under this Agreement without the express prior written consent of the other Party to this Agreement. No assignment by a Party of any obligations hereunder shall relieve such Party of any such obligations. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and permitted assigns.

11.8 Amendment; Waiver.

This Agreement may be amended, supplemented or otherwise modified only by a written instrument executed by both Seller and Purchaser. No waiver by either Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and executed by the Party so waiving. Except as provided in the preceding sentence, no action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, or a failure or delay by any Party in exercising any power, right or privilege under this Agreement shall be deemed to constitute a waiver by the Party taking such action of compliance with any representations, warranties, covenants, or agreements contained herein, and in any documents delivered or to be delivered pursuant to this Agreement and in connection with the Closing hereunder. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach. Seller and Purchaser may, at any time prior to the Closing, (a) extend the time for the performance of the obligations or acts of the Parties hereto, (b) waive any inaccuracies in the representations and warranties (of the other Party hereto) that are contained in this Agreement or (c) waive compliance by the other Party hereto with any of the agreements or conditions contained in this Agreement.

11.9 Remedies.

(a) The Parties acknowledge and agree that irreparable damage would occur and that the Parties may not have any adequate remedy at Law in the event that any provision of this Agreement were not performed in accordance with its specific terms or were otherwise breached, and that money damages or other legal remedies would not be an adequate remedy for any such failure to perform or any such breach. Accordingly, the Parties hereto acknowledge and hereby agree that in the event of any breach or threatened breach by Seller or Purchaser of any of their respective covenants or obligations set forth in this Agreement, each of Purchaser and Seller, respectively, shall be entitled to an injunction or injunctions to prevent or restrain breaches or threatened breaches of this Agreement by such other Party (as applicable), and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of the other (as applicable) under this Agreement, without proof of actual damages or inadequacy of legal remedy and without bond or other security being required. The pursuit of specific enforcement or other equitable remedies by any Party will not be deemed an election of remedies or waiver of the right to pursue any other right or remedy (whether at Law or in equity) to which such Party may be entitled at any time.

(b) Subject to Section 11.9(a), the Parties acknowledge and agree that their sole and exclusive remedy with respect to any and all claims (other than claims arising from fraud in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in Article IX. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other Party and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in Article IX.

(c) Each of Seller and Purchaser hereby agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of this Agreement by Seller or Purchaser, as applicable, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of Seller or Purchaser, as applicable, under this Agreement. The Parties hereto further acknowledge and agree that (i) by seeking the remedies provided for in this Section 11.9, a Party shall not in any respect waive its right to seek at any time any other form or amount of relief that may be available to a Party under this Agreement (including monetary damages) and (ii) nothing set forth in this Section 11.9 shall require any Party to institute any proceeding for (or limit any Party's right to institute any proceeding for) specific performance under this Section 11.9 prior or as a condition to exercising any termination right under Article X (and pursuing damages after such termination (subject to the terms of this Agreement)), nor shall the commencement of any Proceeding pursuant to this Section 11.9 or anything set forth in this Section 11.9 restrict or limit any Party's right to terminate this Agreement in accordance with the terms of Article X or pursue any other remedies under this Agreement or otherwise that may be available then or thereafter. In the event that any action shall be brought in equity to enforce the provisions of this Agreement, no party shall allege, and each party hereby waives the defense, that there is an adequate remedy at law, and each Party agrees to waive any requirement for the securing or posting of any bond in connection therewith.

11.10 Third Parties; No Benefit to Third Parties

This Agreement does not create any rights, claims or benefits inuring to any Person that is not a Party nor create or establish any third-party beneficiary hereto (including with respect to any Business employee); provided, however, that, notwithstanding the foregoing, (a) Purchaser Indemnified Persons and Seller Indemnified Persons are intended third-party beneficiaries of, and may enforce, Article IX and (b) the Nonparty Affiliates are intended third-party beneficiaries of, and may enforce, Section 11.15.

11.11 Governing Law.

This Agreement, and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement) shall be governed by and construed in accordance with the law of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws.

11.12 Dispute Resolution; Waiver of Jury Trial

(a) The Parties hereto agree that any and all disputes, claims or controversies arising out of or relating to this Agreement, including the performance, breach, termination, interpretation, existence or validity thereof ("Disputes"), and the scope or applicability of this Section 11.12, including but not limited to the arbitrability of any and all Disputes, shall be fully and finally resolved by binding arbitration administered by Judicial Arbitration and Mediation Services or its successor organization ("JAMS") according to the applicable JAMS arbitration rules in effect as of the date when such claim is commenced (i.e., either the Comprehensive Arbitration Rules for claims exceeding \$250,000, or the Streamlined Arbitration Rules for claims not exceeding \$250,000). The seat of the arbitration shall be New York City, New York.

(b) The tribunal shall consist of one (1) arbitrator, selected by the following procedure: either: (i) Purchaser and Seller shall mutually select an arbitrator; or (ii) if the Parties hereto cannot agree on such arbitrator, then (A) within fourteen (14) days of the filing of the notice of arbitration, each of Purchaser and Seller shall select and simultaneously exchange the names of five (5) arbitrators, and (B) within seven (7) calendar days of the exchange of the names, each of Purchaser and Seller may strike two (2) names and shall rank the remaining candidates in order of preference. The remaining candidate with the highest composite ranking shall be appointed the arbitrator to solely preside over the arbitration.

(c) Each party hereto shall bear its own attorneys' fees and related costs in the arbitration. The arbitrator shall have no authority to issue an award of attorneys' fees or costs against any party hereto. The arbitrator shall have no authority to award punitive, special, exemplary, multiplier or consequential damages, and such damages shall not be recoverable by any other process or in any other proceeding. If any party hereto refuses to perform any or all of its obligations under the final arbitration award within thirty (30) days of such award being rendered, then the other Party hereto may confirm or enforce the final award in any court of competent jurisdiction sitting in New York City, New York.
